In this connection, it has been observed that inspite of repeated & clear directions issued from the Board some of the CBSE affiliated schools have not updated their school website with Mandatory Public Disclosure and also did not furnish required details through above mentioned Google form link. It has been viewed seriously by the Competent Authority of the Board as it is in violation of Board's directions and CBSE Affiliation Bye Laws, 2018. However, the competent authority of the Board desires to give a **last chance** to the remaining schools which have not updated their website and furnished the details as said above.

Therefore, you are once again directed to display of Mandatory Public Disclosure at Home Page in school's website in consonance with the directions given as per clause 2.4.9 of Affiliation Bye Laws 2018 immediately without fail. Further, submit the details through the above given Google Form Link.

If the school fails to display of Mandatory Public Disclosure at Home Page in the school's website and do not furnish the details through above Google form link, the list of such schools will be forwarded to CBSE HQ Delhi for disciplinary action proceedings as per Affiliation Bye Laws of CBSE.

This is for strict compliance please.
